

Safari February Newsletter

The kids loved our smoothie and movie Party. Most enjoyed cutting up their own fruit to blend in the bullet mixer I brought in. Most of them loved their smoothies tremendously, others enjoyed watching the solids turn to liquids!. They did a great job collecting the food to earn this treat. We will be looking at our community to see if there is something else we can do for others. If you volunteer anywhere we would love to hear how we can help.

This month we will host our Friendship celebration and book exchange on Tuesday, February 14th. There will be a special snack, card exchange and book exchange. Please watch your e-mail, parent file and homework for special instructions for this day.

February there will NOT be a PAC Meeting. Parents that are part of PAC help decide what family events are held throughout the year, we will resume our meeting in March. We are starting to plan our field trips for the summer they will require parent volunteers, some by bus others by van. If you are looking to drive and/or chaperone we look forward to having you join us on our adventures, Stay tuned and we will let you know how to volunteer or spend time with us in our classroom.

This month we will be reviewing letters Pp, Qq, Rr and numbers, things we Love, Famous People, African American History and Lunar New Year. We will also be discussing letters Ss, Tt, and Uu, along with the numbers 18, 19 and 20. The shape and colors we will be exploring are the Heart, Pink and Black.
