

Kinder February Newsletter

GoNoodle.com

We have been playing around with a fun new website which has fun dance, fitness, and yoga activities for the kids. Sign up is free!

February Dates:

-2.14 Friendship Party
-2.16- 100th day of school

In January we introduced nouns, verbs, and adjectives, as well as land and air. We also found ourselves having many passionate discussions about presidents and what the role of president looks like.

On February 14th we will be hosting our freindship party. This is a fun day to remind us how important friendships are. If you would like to bring a treat to share for that day, that would be great! Please remember we are a nut free-facility, and anything gluten-free is a major plus. We will be doing a valentine exchange so please be sure that your child writes one for each child in the class. (Hana, Jakob, Aria, Eshan, Varun, Oliver, Rylan,Jefferson, and Kelsey)

On February 16th we will have finally reached our 100th day of school. It will be a day filled with plenty of 100 day activities and crafts.

February Focuses:

Social Studies:

Being a good citizen
Bill of Rights/Constitution
Community Government
