We have had a lot of questions and requests regarding starting potty training. In the Minnows Packet, there is a lot of valuable information about having the kids starting to use the potty. Below is also an article relating to when you think your child might be ready to start.

Turn off the TV week is the last week in March. We will be hosting events every evening between 6-7pm at the Cambrian location. It is a great opportunity to get to know other families and have fun with your kids as they learn.

If you have any questions, please let us know.
