

SEA TURTLE NEWSLETTER

JANUARY 2017

HAPPY NEW YEAR !!

Hello Sea Turtle Parents,

During the month of January we will be focusing on a variety of topics. We will start off with learning about the New year celebration and Martin Luther King Jr's dream and about the winter weather. Our Sea Turtles will be going over Fire/Earthquake Safety.

Furthermore, we will continue to focus on following instructions and self-help skills. Our letters for this month are I and J. We will be putting a special focus on learning about rectangles and the color blue. The children will also have the opportunity to strengthen their arms, legs and pincher grasps. We will also be adding cooking and baking projects into our weekly lesson plans. Making an array of things from cookies to play dough to items they can take home to share with you as well.

We would like to remind all parents that it is flu and cold season. Our school has a sick policy which is symptom free of fever, vomiting and diarrhea for 24 hours without medication before coming to school. We would like to provide a healthy and safe environment for all our children.

Thank You,
Miss Stacey and Miss Michelle
